

# OrthoLux Lite™

The OrthoLux Lite™ is one of HOPE Orthopedic's best values! This spinal orthosis achieves a milder torso support and restriction of spinal motion than the OrthoLux™. The low profile two-stage elastic closure makes it easy for patients to apply effective compression.

## Features & Variations

- Plush, breathable, moisture-wicking tri-laminate foam
- Contoured (remoldable) polymer inserts
- Front plate is pre-drilled for easy Extender™ attachment
- Posterior insert features open spinal relief
- Elastic outer cinch straps complete the 2-stage closure
- 3 front heights, each in neutral or pendulous
- 3 back heights, each in four lordosis variations
