Repair Service

In the Instructions section (below) or on an attached note, please indicate the existing problem that needs to be resolved.

Remold/Remake

A new cast, digital leg scan or leg measurements is routinely required to remold/remake a custom or "customized" knee brace. In the Instructions section (below) or on an attached note, please describe the problem that needs to be resolved. Did you send a new cast mold and/or new measurements?

Yes No

Refurbish

Generally includes replacement of product parts including straps, pads, liners, hinge covers and refurbishing and realignment of joints. You can individually order only the replacement of specific parts if the entire brace does not need servicing. Please note the parts you want replaced in the Instructions section below.

Refurbish & Repaint

Includes refurbish services as well as repainting of the brace (applies to paint finish or powdercoated braces). Repainting or new powdercoat finish is not covered by any warranty.

Repaint

New paint or powdercoat finish (not covered under any warranty).
